

Prepared. For Life.™

# WHERE DOES YOUR MONEY GO?

As many of you already know, registration fees don't meet all of the needs of Pack 23. We meet our operating budget through revenues from our fundraising efforts, special gifts and donations. It is vital to the life of the Pack and has been designed to serve your boys where registration dollars simply aren't enough.

Each year, cubs are encouraged to raise \$100 in profit from various fundraisers to help the pack go. The \$100 meets the needs of what each boy receives in return from the pack each year. Any money over the \$100 in profit is converted into Cub Points\*, which your scout can use towards camping supplies, registration fees, scout activities and even summer camp!

\*Cub Points are awarded after a cub raises \$100 in profit. For every dollar raised above this threshold, 75¢ goes into the Cubs account and 25¢ goes to the Pack.
