

CT Pack 23 Wreath Fundraiser General Guidelines

October 23rd - November 8th

Name:	
My Personal Fundraising Goal:	\$
My Pack is using the money raised for:	Scout outings

1. If you have any questions, please contact Katie Ahlgren.
2. The fundraising envelopes have a column on the left side for recording when your customers pay for their items. All orders must be paid for when the order is placed (or before you turn in your fundraising envelope).
3. Please note that we are also selling EZ Hangers® and Battery Operated LED Christmas Light Sets. By encouraging your customers to purchase these items, they will not only be happier with their purchase, but you will also be earning even more profit for our pack.
4. For Holiday Gift Products you **MUST** collect the money at the time you take the order. Each scout is receiving **TWO** order forms for this direct shipping option. If you need more, please contact Katie Ahlgren.
5. Scout families should submit their orders and payments to Katie, Irmie or Nilda by November 8th. If you need that weekend to continue selling, additional orders can be submitted until 8pm on Sunday, November 10th.
6. Our delivery window is between 12/2 and 12/6. A more exact date for that week/weekend will be available once products have shipped. Please plan to pick up your products promptly, as these items are fresh plant products. Each family is responsible for picking up their orders and delivering them.
7. Checks should be made out to: **CT Pack 23**
